Dowsing—A Self-Empowerment Seminar

Prerequisites: None

"Stacking the deck of life in your favor with intent"
By: Raymon Grace

Dowsing is many things to many people and limited only by our imagination as to the ways it can be used to enhance our lives. Another tool to help us develop our own knowing and intuition, we also use dowsing to measure and show the physical manifestation of our focused thoughts and intentions in action. Focused thoughts and intentions transform subtle energy as we create. Dowsing allows us the joy of seeing the results of this subtle energy change as it occurs, to measure it, and know it is real.

In this activity packed program, world renowned dowser Raymon Grace, will guide us to:

- Add power to thoughts with positive suggestions
- Send healing energy at a distance
- Overcome fears
- Utilize a Native American healing technique to reach spirit realms
- Positively influence behaviors
- Employ techniques for attracting prosperity

And much more…

We invite you to join us in a 2 day seminar as Raymon Grace shows how you can change your life by changing your thinking.
